SERMON
NOTES

Sermon Discussion Questions for MISSIONAL CELLS

1. What initial thoughts come to mind when you think about the idea of being created in God's image as it is revealed in scripture?
2. Why do you think God made man with such distinctiveness and intrinsic worth and value?
3. Do you see yourself as a gift from God, God's treasured possession, and that He loves you? If so, how would this truth cause you to respond to God?
4. Do you also see others as a gift from God, God's treasured possession, and that He loves them? If so, how would this truth cause you to treat them?
5. Is there someone whom God is calling you to journey with in helping them see that they are a gift from God, God's treasured possession, and that He loves them?
6. (For parents & parents to be) With regards to the concept of the 'Sanctity of Life,' will you choose your child's life regardless of your child's condition, your quality of life, your financial situation, or your social status?
7. Being made in the image of God, we are made to be in relationship with God, our father. How would you describe your relationship with God as a father? How is God calling you to develop this relationship?
8. As an 'angled mirror,' do people in your life see Christ in you?
9. Is there an area of your life that God is asking you to surrender and let Christ renew and transform so that you can reflect God's love, care, power, and sovereignty?
